I found another girl that I had to love, aw shit man.  
She's the kind of woman I've been scared of, aw shit man.  
Now I'm going to make her -- I've got to make her mine.  
Aw, shit man

I'm gonna be an asshole for the rest of my life, aw shit Man.  
I'll never be forgiven by my daughter and wife, aw shit

Man  
Don't know if I can take it.  
Aw, shit man

They say it's just another fucker with a midlife-crisis,  
Aw shit man.  
And I'm a motherfucker with the midwife Christ, aw shit Man.

Now I'm undertaking, I'm undertaking, I'm undertaking  
-  
It's undertaker timer.  
Aw shit man.
