I don't care about the money
I ain't seen none
And I don't care about the women
Cos' I just need one

The reason I say it, you really ought to know
It's all for the love of rock 'n' roll
It's all for the love of rock 'n' roll
It's all for the love of rock 'n' roll
It's all for the love of rock 'n' roll

I don't care about the fashions
I ain't got no clothes
And I don't want a pair of shoes
But that's the way it goes

The reason I say it, you really ought to know
It's all for the love of rock 'n' roll
It's all for the love of rock 'n' roll
It's all for the love of rock 'n' roll
It's all for the love of rock 'n' roll

I don't care about the money
I ain't seen none
And I don't care about the women
Cos' I just need one

The reason I say it, you really ought to know
It's all for the love of rock 'n' roll
It's all for the love of rock 'n' roll
It's all for the love of rock 'n' roll
It's all for the love of rock 'n' roll
It's all for the love of rock 'n' roll
It's all for the love of rock 'n' roll
