Every night I hope and pray a dream lover will come my way

A girl to hold in my arms and know the magic of her charms

'cause I want (I want) a girl (a girl) to call (to call) my own (my own)

I want a dream lover so I don't have to dream alone

Dream lover, where are you with a love, oh, so true?  
And I hand that can hold, to feel you near as I grow old?

'cause I want (I want) a girl (a girl) to call (to call) my own (my own)

I want a dream lover so I don't have to dream alone

Someday, I don't know how, I hope she'll hear my plea  
Some way, I don't know how, she'll bring her love to me

Dream lover, until then, I'll go to sleep and dream again

That's the only thing to do, till all my lover's dreams come true

'cause I want (I want) a girl (a girl) to call (to call) my own (my own)

I want a dream lover so I don't have to dream alone

Dream lover, until then, I'll go to sleep and dream again

That's the only thing to do, till all my lover's dreams come true

'cause I want (I want) a girl (a girl) to call (to call) my own (my own)

I want a dream lover so I don't have to dream alone

Don't make me dream alone

Don't make me dream alone

Don't make me dream alone
