If you're gonna scream, scream with me  
Moments like this never last  
When do creatures rape your face  
Hybrids opened up the door

Ooh baby when you cry  
Your face is momentary  
You hide your looks behind these scars  
In hybrid moments  
Give me a moment

Give me a moment  
Give me a moment

Ooh baby when you cry  
Your face is momentary  
You hide your looks behind these scars

In hybrid moments  
In hybrid moments

In hybrid moments  
In hybrid moments

Give me a moment  
Give me a moment
