Run you ragged  
Torn and Jagged  
Sharp tongued, ripped and ragged  
Couldn't find the party line  
Gee whiz, it's happy time  
Mirror, mirror, reflects me hazy  
The heat's on, I'm running round crazy  
Here's the road, didn't miss a trick  
While you trash the punch and kick  
I'll kiss the lips that sealed your fate  
I'll bring you flowers and place them on your grave

Dreaming of colours, swamped in dust  
Sweet dreams all covered in rust  
Looking at heaven, gladdest ghosts seen  
Turn to kill this crazy dream  
You are revered for your work with ink and mirrors  
You are renowned for bringing me steel and power

So dance, dance, dance on  
Dance, dance, dance, dance on glass  
Dance, dance, dance on  
Dance, dance, dance  
Dance on glass

Shadow Boxing, mild and meek  
Send me flowers, tongue in cheek  
Medicine man cast a spell  
Head spins round, kiss and tell

So dance, dance, dance on  
Dance, dance, dance, dance on glass  
Dance, dance, dance on  
Dance, dance, dance  
Dance on glass

Cheeks on fire, dance on glass  
A touch of magic, a hint of class  
Dress in leather, play in the dark  
Pain and torture leave their mark  
Take no prisoners, smash the light

Lunatic fringe, kiss and bite  
Wild promise, cheeks are red  
Battle cry, and then it's off to bed  
You've taken my heart and ripped it from my sleeve  
Hold it in your hands  
Grip your fingers and it starts to bleed

So dance, dance, dance on  
Dance, dance, dance, dance on glass  
Dance, dance, dance on  
Dance, dance, dance,  
Dance on glass

You shudder at a touch
