Eh yo Mary, i need you to vibe wit me on this one, uh

Uh

[Missy Elliot]

Check it

As i grab my pad and pen and begin to talk from within

Oh God im hot as the water like a preacher whos
sinned

Im only human but

The world has put me on a platform since the day i was
born

To only wait for my downfall but like a brick wall im too
hard to brake

Ok i do make mistakes but im the realest from the fake

Thats why im the hardest to hate

I live baby girl i've learned to love those while ther still
awake

Sleep Sleep

And prepare a place for those who are good in the
projects and hood

Give to those who are misunderstood

I know like Lisa, Pac and Biggie and Jay and Pun are still
No1

There will be more of us to come

I am a leader a teacher i gotta, like a single parent

provider

Put in back those hip hop dividers

Like a preist with a back slider

I've sinned ut i win

And anyone we've lost in life from 9-11

We'll be sure to see again

[Mary J. Blige]

What you hear is not a test, im rockin to the beat [x2]

See me and my crew, and my friends were gonna try to
move our feet

See i am Mary Blige and i'll like to say hello

To the black to the white, the red and the brown, the
purple and yellow

First you gotta.....first you gotta
