Cat's eyes  
Take good peep into that cat's eyes  
Cat's eyes  
Lose your heart in those wild eyes blue, oooh  
Cat's eyes  
Take good peep into that cat's eyes (take good peep,  
peep, peep)  
Tempting you  
What can you do when his eyes blink at you

You fall for him just like an autumn leaf  
You want his love though he stays out of reach, out of  
reach  
Wishing you could walk on by  
Instead of giving him one more try  
Barely miss him  
How could you were so free and easy

Cat's eyes  
Take good peep into that cat's eyes  
Cat's eyes  
Lose your heart in those wild eyes blue, oooh  
Cat's eyes  
Take good peep into that cat's eyes (take good peep,  
peep, peep)  
Tempting you  
What can you do when his eyes blink at you

And in your dreams, you'll see him come to you  
Love was a shimmering sound of melting blue, melting  
blue  
Whispering words of love to hear  
Sweet caresses in a summer wind  
Barely miss him  
How could you were so free and easy (so free and  
easy)

[keyboard solo]

Ooooh, oooh, cat's eyes  
Take good peep into that cat's eyes (take good peep,  
peep, peep)  
Tempting you  
What can you do when his eyes wink at you

Cat's eyes  
Cat's eyes  
Cat's eyes
