You can make me sing  
You just pull a string  
Smile and I'll be glad  
Just frown and I'll be sad

Like a puppy, I'll cry out loud for you  
I'll do anything that you want me to do  
Ooh, ooh

Oh, I can't say no for I love you so  
No, I can't say no 'cause I love you so  
Oh, I can't say no for I love you so  
No, I can't say no 'cause I love you so  
I... I.. I.. I love you so, whoa, whoa, whoa oh oh

You just call my name  
I'll play any game  
Take me close to you  
Just make our dreams come true

All I want is to keep you satisfied  
Oh baby  
I don't care if it's wrong, I don't care if it's right  
Ri-i-i-i-ight

Oh, I can't say no 'cause I love you so  
Oh, I can't say no 'cause I love you so  
No, I can't say no 'cause I love you so  
Oh, I can't say no 'cause I love you so  
I... I.. I.. I love you so, whoa, whoa, whoa, oh, oh

[instrumental]

Oh, I can't say no 'cause  
No, I can't say no 'cause I love you so  
No, I can't say no for I love you so  
No, I can't say no 'cause I love you so  
I... I.. I.. I

No, I can't say no 'cause I love you so  
No, I can't say no 'cause I love you so

Oh, I can't say no  
[fade]
