the party is still going strong  
but we can't stay all night long  
let's dance to one more song  
hey, hey yeah  
when I came, I felt so blue  
from my first 'til I was through  
I'm so glad that I found you  
hey, hey yeah

you're a natural man, I'm a natural woman  
it's simple and plain, with our natural love  
can't find satisfaction talking lots of trash  
I'm just looking for a natural man  
you're a natural man, I'm a natural woman  
nothing else to explain, with our natural love  
can't find satisfaction spending lots of cash  
I'm just looking for, baby yeah, a natural man

so I know well what's on your mind  
I'm in love, but I'm not blind  
so let us leave this place behind  
hey, hey yeah  
pay the waiter, take me home  
you and me will be alone  
let our love grow on and on  
hey, yeah yeah ah

you're a natural man, I'm a natural woman  
it's simple and plain, with our natural love  
can't find satisfaction talking lots of trash  
I'm just looking for a natural man  
you're a natural man, I'm a natural woman  
nothing else to explain, with our natural love  
can't find satisfaction spending lots of cash  
I'm just looking for, baby, a natural man

a natural, a natural, a natural man  
a natural, a natural, a natural man  
a natural, a natural, a natural man  
a natural, a natural, a natural man

you're a natural man (natural man)  
I'm a natural woman (natural woman)  
it's simple and plain (natural man)  
with our natural love  
can't find satisfaction talking lots of trash  
I'm just looking for a natural man  
you're a natural man (natural man)  
I'm a natural woman (natural woman)  
nothing else to explain (natural man)  
with our natural love, love, love, love  
can't find satisfaction spending lots of cash  
I'm just looking for a natural man  
[repeat to fade]
