It's a train wreck, what a mess, so loud, that's how we get.

We're down home country bumpkins, at it again
Down the road, we all go, barn to barn, that's how we roll.

If you want a good time, then come on in

Ya it gets crazy, but we're havin' fun
So if you party hard when the work week is done
Then come on down to our Redneck Reunion (hey hey hey)

Grandpa talks of Conway Twitty, grandma tells him to hush up

The farmer's daughter's lookin' pretty, Uncle Jack is lookin' for love

We know how to hoot, we know how to holler
No time better to get things redder underneath the blue collar

'Bout as backwards, backwoods as you can get
'Cause that's what happens when you party like a redneck

Beer flowin', guys knowin', cowgirls won't be goin'
Till the last step, of the two step, is done on the floor
Shoutin' southern rock, at the top of our lungs,
we don't stop (no no no no)
Jumpin' up, getting down, we all want more.

Ya it gets crazy, but we're havin' fun
So if you party hard when the work week is done
Then come on down to our Redneck Reunion (hey hey hey)

Grandpa talks of Conway Twitty, grandma tells him to hush up

The farmer's daughter's lookin' pretty, Uncle Jack is lookin' for love

We know how to hoot, we know how to holler
No time better to get things redder underneath the blue collar

'Bout as backwards, backwoods as you can get
'Cause that's what happens when you party like a
redneck

So come on down, we'll pour a round, we'll show you
how it's done
I know you're gonna love it, you'll want some more of it.
We're straight up shootin', party rootin', son of a guns
So come on down to our redneck reunion... hey

Hey hey hey... hey hey hey

Grandpa talks of Conway Twitty, grandma tells him to
hush up
The farmer's daughter's lookin' pretty, Uncle Jack is
lookin' for love
We know how to hoot, we know how to holler
No time better to get things redder underneath the
blue collar
'Bout as backwards, backwoods as you can get
'Cause that's what happens (hahaha)
That's what happens when you party like a redneck

Hey, hey, hey
