There's a party on Friday night  
Everybody on the block's excited  
You can feel the magic in the air

There's a party on Friday night  
Everybody on the block's invited  
You'll be missing out if you're not there

So what are you doing  
Friday night at nine  
If you feel like groo-ooving  
Just come on round to mine  
I can show a real good ti-i-i-i-ime  
Uh-huh, oh yeah

So what are you doing  
Friday night at nine  
If you feel like groo-ooving  
Just come on round to mine  
I can show a real good ti-i-i-i-ime  
Uh-huh, let's go

Wooh!
