Holy lines  
Bible vine  
Spring almighty voice  
Shared faith  
Common grace  
Light upon a different choice  
Moral rules distinct tools  
Frame divine approach  
Modern trails classic tales  
Sail upon this sacred coast

A belief so divine purified spell  
Congregates human race  
On his own created hell

Hallelujah  
Hallelujah

Roman church  
Leading curse  
Preaching middle age  
Confiscates human life  
Through a simple condom cage  
New born sekt's  
Growing facts  
That can't be refused  
Issue of a social life  
Of an abyss we accuse

A belief so divine purified spell  
Congregates human race  
On his own created hell

Hallelujah  
Hallelujah
