Infight I see the world  
A war of pride  
Big business so well known  
For sale all human rights

Hands shake in action  
Peaceful intentions  
Honest promises

Suitcases weapons  
Starvation happens  
Heartfelt policy

So you say  
Hollow tales  
So you say  
Hollow tales

The face of consequence  
A thousand cries  
A speech of confidence  
A tale to justify

Hands shake in action  
Peaceful intentions  
Honest promises

Suitcases weapons  
Starvation happens  
Heartfelt policy

So you say  
Hollow tales  
So you say  
Hollow tales
