Every day I want your everything
Every night I need you every time oh
Every day I want your everything
Every night I need you every time oh

hashiru densha tashikame mo sezu ni
kaze o tanoshimu kimi o yokome ni
sure chigau no ha itsumo
mimi fusaida kiri You don't care
zureta mama no manazashi atatamete mitai Sendin'
my love to you

You have had a cry kokoro tozasu mae ni
You have had a call kimi ni tsutaetai
You have had a cry kisetsu kawaru mae ni
You have had a call a day on 19, November

Every time I hear your voice
Baby every day and every night
