Every day I want your everything

Every night I need you every time oh

Every day I want your everything

Every night I need you every time oh

hashiru densha tashikame mo sezu ni

kaze o tanoshimu kimi o yokome ni

sure chigau no ha itsumo

mimi fusaida kiri You don't care

zureta mama no manazashi atatamete mitai Sendin'
my love to you

You have had a cry kokoro tozasu mae ni

You have had a call kimi ni tsutaetai

You have had a cry kisetsu kawaru mae ni

You have had a call a day on 19, November

Every time I hear your voice

Baby every day and every night
