Checkin' you out, checkin' you out, checkin' you out

All night

Checkin' you out, checkin' you out, checkin' you out

You're just right

Checkin' you out, checkin' you out, checkin' you out

You're just the kind of man I like

I've been checkin' you out all night

You're just the kind of guy that I like

You won't even let me out of your sight

So if I begin to move,

Come on now baby make your move

You're the kind of guy that can make me feel like I can
win

At the dance floor

Watch me dance, oh watch me dance

Watch me move, oh watch me move

Watch me dance and make my move on you

I've been checkin' you out all night

You're the kind of guy I like

You've been checkin' me out all night

You've never let me out your sight

Checkin' you out, checkin' you out, checkin' you out

All night

Checkin' you out, checkin' you out, checkin' you out

You're my type

Checkin' you out, checkin' you out, checkin' you out

You're so cool

Don't be afraid

Go make your move

Checkin' you out

Oh yea, checkin' you out
