[Verse 1]

I know what you've been doin [all day]  
That level you've persuin' [all day]  
The rat race, the paper chase [all day]  
You felt the weight, you dealt with hate [all day]  
I know you feelin' aggression [all day]  
Cuz they askin' too many questions [all day]  
You been tryin' to make connections [all day]  
You've been dyin' to have a session [all day]  
Some homies could just kick it [all day]  
Roll up and get lifted [all day]  
When on the grind, they got the time [all day]  
Get behind, I handle mine [all day]  
From needle shuckin' and jivin' [all day]  
Stayin' hustlin' and strivin' [all day]  
Some homies is nine-to-fivin' [all day]  
But off this music you'll be vivin' [all day]

[Hook]

Party cause you been workin' [all day]  
And money was on ya mind [all day]  
I know you been on the grind [all day]  
mmmmmm...Hmm....  
Can't be wastin' no time [all day]  
The radio gone rewind [all day]  
When music is on your mind [all day]  
All day.....

[Verse 2]

Needed a home cook meal [all day]  
I've been chosen to see my girl [all day]  
It's the way that she makes me feel [all right]  
Sexin' me with skill [all night]  
Daydreamin' about you [all day]  
Thinkin' of bein' wit you [always]  
Then it's back to workin' [all day]  
To make a livin' we earnin' [all pay]  
Got me wit this as we travel on this journey [all day]  
To overcome trouble if it gets in [our way]  
It's been a rough I took enough [all day]  
And givin' up, let's live it up [all day]

How we do things, daily routines [all day]  
It's an abstract rude thing, make ya music [all day]

[Hook] [x2]

Party cause you been workin' [all day]

And money was on ya mind [all day]

I know you been on the grind [all day]

mmmmm...Hmm..

Can't be wastin' no time [all day]

The radio gone rewind [all day]

When music is on ya mind [all day]

All day...
