

## The Monkees

### "Enter the Dragon"

Visit "[Enter the Dragon](#)" on MotoLyrics.com

Yiggy Yiggy Yaw- if you wanna play  
Yiggy Yiggy Yaw- when the dragon slay  
Yiggy Yiggy Yaw- if you dare to stay  
Yiggy Yiggy Yaw- yiggy yiggy yay

Can you dig it?

(Cham)

Praise the lord if you pick up the chase  
Daytona 500 you got no case in the speed of life  
Move real fast, trace my tracks you better step on the  
gas  
-All around the world ,we all wanna go,  
some take the road others go with the flow  
U.F.O or mirrorball, disco dancing pussy galore  
in a black shirt and a red tie  
in a leather jacket that looks real fly  
-"We can plan a murder or start a religion"  
Being Infinite that's our decision  
Organized chaos brings out the noise  
-Hey ladies, It's just me and my boys!  
So let the engine work like a thousand man marathon  
HU! Enter the dragon COME ON!

(Chorus)

Yiggy Yiggy Yaw- if you wanna play  
Yiggy Yiggy Yaw- when the dragon slay  
Yiggy Yiggy Yaw- if you dare to stay  
Yiggy Yiggy Yaw- yiggy yiggy yay  
Enter the dragon! HU!

Front back side to side  
hit low and then we kick high  
Enter the dragon! HU!  
Front back side to side  
hit low and then we kick high

(Rigorod)

Kick in the door \*BLAAAU\* said it before, my friend  
Caught up in the game my life won't be the same again  
We're here to take a stand and stand my man

Won't jump on the bandwagon or the train, my friend  
The mass is not a fashion or a trend  
We're not the saint that go marching in, my friend  
And by the way let me say "Va gÃ¶r du len?"  
Watch out when the dragon blow out flames  
Yiggy yiggy yaw- Inhale  
Yiggy yiggy yay- Exhale

(Cham)  
-ABRACADABRA!

(Rigorod)  
Time to bail, make me dissappear from this fairy tail  
Better get, get it right  
Tell you what, what it's like  
When you want, want to try  
Reaching up, up the sky  
Hitting low, low and high  
Mash up, mash up your life.. cut the crap..  
I wa wa-want the knife

(Chorus)

(Cham)  
Yiggy yiggy yaw  
Yiggy yiggy yay  
Yiggy yiggy yaw  
Yiggy yiggy yaw  
Yiggy yiggy yay  
Yiggy yiggy yaw  
Yiggy yiggy yay  
Yiggy yiggy yaw  
Yiggy yiggy yaw  
Yiggy yiggy yay

(Chorus)  
Yiggy Yiggy Yaw- if you wanna play  
Yiggy Yiggy Yaw- when the dragon slay  
Yiggy Yiggy Yaw- if you dare to stay  
Yiggy Yiggy Yaw- yiggy yiggy yay

(Cham & Rigorod)  
Yiggy yiggy yaw if you want to play
