I one went with a belly dancer (Lum do dee ally day)
One around I didn't stand a chance a (Lum do dee ally day)
I, I, I love you better
I, I, I love you better

Then I went with a gospel singer (Lum do dee ally day)
She tried to wrap me around her finger, now (Lum do dee ally day)
But I say
I, I, I love you better
I, I, I love you better

Ha, ha, ha, lum do dee ally day.
Ha, ha, ha, lum do dee ally day.

I once went with a history teacher (Lum do dee ally day)
I really tried but I couldn't reach her (Lum do dee ally day)
I, I, I love you better
I, I, I love you better

Well, let me tell you now
I, I, I love you better
I, I, I love you better

Ha, ha, ha, lum do dee ally day
Ha, ha, ha, lum do dee ally day

There were some that I can't remember (Lum do dee ally day)
Think I went with Miss November (Lum do dee ally day)
But I say
I, I, I love you better
I, I, I love you better.
