"I Won't Be The Same Without Her"

Life is hard for me to touch now.
I just don't enjoy it as much now.
When she left, something inside of me died.
And I won't be the same without her,
No I won't be the same without her
By my side.

There's no end end to my sorrow.
I'm afraid to face tomorrow.
When she left, she took much more than my pride.
And I won't be the same without her,
No I won't be the same without her
By my side.

It isn't easy to forget her,
And the way it used to be.
She changed my life the day I met her.
And I won't be the same without her,
No I won't be the same without her
Close to me.

Repeat first verse.
