Ecco qua  
passiamo noi  
e la gente ci guarda  
ed ammir con voi  
Ci chiamano i Monkees,  
e siamo meno matti di chi  
si crede piu' intelligente  
di noi che la pensiamo cosi'.  
Dovunque parliamo  
non e' giusto mai  
c'e' sempre qualcuno che  
ne sa piu' di noi.  
Ci chiamano i Monkees  
e siamo meno matti di chi  
si crede piu' intelligente  
di noi che la pensiamo cosi'  
Ci chiamano i Monkees...

#### TRANSLATION!

Here we are  
we are passing by  
and people are looking at us  
and they admire us with you.  
They call us the Monkees  
and we are less crazy than those  
who think are more intelligent  
than us who think this way.  
Everywhere we talk  
it's never right  
there's always someone  
who knows more than us.  
They call us the Monkees  
and we are less crazy than those  
who think are more intelligent  
than us who think this way.  
Ci chiamano i Monkees....
