Some people always complain that their life is too short
so they hurry it
along
Their worries drive them insane but they still go along
for the ride
As for me
I have all the time in the world

I was born
A someday man
I'm a maybe child
I was born
A someday man
I was always wild

Tomorrow's a new day, baby
Anything can happen
Anything can happen at all

Some folks are working for reasons and waiting for
answers they're never
gonna find
They keep on searching for pleasures and looking for
what they can't see
But for me
Life can be a sweet holiday

I was born
A someday man
I'm a maybe child
I was born
A someday man
I was always wild

Tomorrow's a new day, baby
Anything can happen
Anything can happen at all

REPEAT AND FADE
I was born
A someday man

I'm a maybe child
I was born
A someday man
I was always wild
