They exchanged a look
An hour later her voice shook
When her whispering died, she cried
Never wants to recover, she cried

Don't talk to me about love
(Yesterdays shatter, tomorrows don't matter)
(Yesterdays shatter, tomorrows don't matter)
Don't talk to me about love
(Yesterdays shatter, tomorrows don't matter)

Since that gaze, roaring by went her days
When her whispering died, she cried
Never wants to recover, she cried

Don't talk to me about love
(Yesterdays shatter, tomorrows don't matter)
(Yesterdays shatter, tomorrows don't matter)
Don't talk to me about love
(Yesterdays shatter, tomorrows don't matter)
(Yesterdays shatter, tomorrows don't matter)
Don't talk to me about love
(Yesterdays shatter, tomorrows don't matter)

(Yesterdays shatter, tomorrows don't matter)
Don't talk, don't talk to me
(Yesterdays shatter, tomorrows don't matter)
(Yesterdays shatter, tomorrows don't matter)
Don't talk to me about love
(Yesterdays shatter, tomorrows don't matter)
(Yesterdays shatter, tomorrows don't matter)
Don't talk to me about love
(Yesterdays shatter, tomorrows don't matter)
Don't talk to me about love
(Be that good, said it would
Just couldn't be that good)
Don't talk to me about love
(Be that good)
Don't talk to me about love
(Be that good, said it would
Just couldn't be that good)
Don't talk to me about love

(Be, be, be that good
Be, be, be that good
Be, be, be that good)
