Where are you? Where are you?  
Where are you? Where are you?  
Come to tea, come to tea  
You and me, you and me, you and me

Pinky blue skies away  
Chasing my dust today  
Easy to doubt but say  
Easy to slide away

Pinky blue skies away  
Pinky blue skies away

Easy to, easy to  
What to do? What to do?  
Where are you?  
You know it's up to fate

Pinky blue skies away  
Chasing my dust today  
Easy to doubt but say  
Easy to slide away

Pinky blue skies today  
Pinky blue skies away

Easy to, easy to  
What to do? What to do?  
Where are you?  
You know it's up to fate

Where are you? Where are you?  
Where are you? Where are you?

Pinky blue skies away  
Chasing my blush today  
Cheesy has gone away  
Where has he gone today?

Pinky blue skies away  
Pinky blue skies today

Easy to, easy to  
What to do? what to do?  
Where are you?  
You know it's almost late

Where are you? Where are you?  
Where are you? Where are you?  
Come to tea, come to tea  
You and me, you and me, come to tea

Pinky blue skies away  
Pinky blue skies today

Come to tea, come to tea  
You and me, you and me, come to tea

Pinky blue skies away  
Pinky blue skies today

It's up to fate
