Toys you can touch  
Toys you can feel  
Toys for the boys  
These toys are real  
Real toys  
Hole in the heart  
Hole in the head  
Guns for the young  
Bang bang you're dead  
Real toys  
Sadistic boys  
With hate in their eyes  
Big in ambition  
Smaller in size  
Sadistic boys  
With power in their sights  
Couldn't hurt anyone  
One day they might  
War in the playpen  
Boys behind bars  
Uniform children with uniform scars  
Real toys  
For sadistic boys  
Toys you can take  
Toys you can steal  
Open a wound  
Turned on as you feel  
Real toys  
Real toys  
Toys you can take  
Toys you can steal  
Open a wound  
Turned on as you feel  
Real toys  
Real toys  
Real toys  
Real toys  
Real toys  
For sadistic boys
