GÃ¶nÃ¼ gÃ¶zÃ¼nÃ¼ aÃŸ ve dinle(open your heart eye and listen)

Her neredede olursan ol(whereever you are in)

Her nasÃ±l olursan ol(however you are like)

Beni kendinden ayrÃ± gÃ¶rme(dont think me apart from u)

AcÃ±lar geÃŸer(pains pass)

Zaman en iyi ilaÃŸ(time is best cure)

AcÃ±daki tatlÃ±yÃ± keÃŸfettiÃŸin zaman(when you discover the sweet in bitter)

Sende ki beni gÃ¶receksin(you will see me in you)

YÃ¼reÃŸindeyim(i am in your heart)

Sesindeyim(i am in your voice)

Ben artÃ±k benim(i am you,any more)

Ben artÃ±k benim can(i am you any more,soul)

Bu can bedenden ÃŸÃ±kmayÃ±nca(as long as this soul doesnt come out from body)

Bu beden candan ÃŸÃ±kmayÃ±nca(as long as this body doesnt come out from soul)

Senin olmaya kararlÃ±yÃ±m(i am determined to be yours)

Senin olmaya kararlÃ±yÃ±m(i am determined to be yours)

Anamda ol, babamda olsan(be my mother even you were my father)(\*be my everything)

CanÃ±mda ol, cananÃ±m olsan(b my heart even you are my darling)

Ã°ste bu beden sende kalsÃ±n(just want,this body can stay in you)

DÃ¶ner arkamÃ± da giderim(i leave you behind and go)

Can(soul)
