Your selling sexism your selling racism
Your selling anything you get your fucking hands on
An understanding, you got a plan in a
Presentation to advertisers who demand it
When you plan that
Your antennas are pointed in the right direction
You make a deal in any situation
So with no evacuation
Let California fall into the fucking ocean
Oh they talk to ya, Oh your the town man
High profile Hollywood scum-bag
It's a done deal, signed and sealed
Deal makers making it all happen
When you plan that
Your antennas are pointed in the right direction
You make a deal in any situation
So with no evacuation
Let California fall into the fucking ocean
Let California fall into the fucking ocean!
Let California fall into the fucking ocean!
Let California fall into the fucking ocean!!!
