I'm money broke and it's no joke can't core use the
rope this time (Hey !!)
Nuckel up buckel up the ride's getting rough but i will
not loose my mind (Hey !!)
I asked'em if i could come in and the first thing they
said was no (Hey !!)
If i can't come in that's mean that i can't come back that
means i got nowhere to go

[repeat 2x]

I'm a hyena fighting for lion share
Sometimes the lions share ain't there

Absent from political authority an animal i've become
(Hey !!)
Total disorder and confusion is the life style that i run
(Hey !!)
Permit me to do what i want and i will i'm a nomad to
travel (Hey !!)
Concrete class stone and gravel

[repeat 2x]

I'm a hyena fighting for lion share
Sometimes the lions share ain't there

Every time i turn around it's the same sad story
Getting ganked i wish it could end in lifes comisary
I'm a bad missionary with a wicked message i sent
Who can i trust in a world of greed
When i'm taught to take and not to give

Who can i trust when i'm taught to take and not to give

I'm money broke and it's no joke can't core use the
rope this time (Hey !!)
Nuckel up buckel up the ride's getting rough but i will
not loose my mind (Hey !!)
Permit me to do what i want and i will i'm a nomad to
travel (Hey !!)
Concrete class stone and gravel

I'm a hyena fighting for lion share
Sometimes the lions share ain't there
Sometimes the lions share ain't there.....shit
