You know the cards are stacked against this
As we surrender our defenses
And I've torn down all my fences just for you
And you feel it too
What do we do?
Do we run or see it through?

The longer we're together
It just keeps gettin' better
And you hide your little love letters
Around the house for me
And it's plain to see
That you'll always be, all I'll ever need

And the webs we spun, wove into one
And left us tangled up in love
You squeeze my hand, I understand
About a woman and a man
I love the way, you make me feel
You got me tangled up in love

The webs we spun, wove into one
Left us tangled up in love
You squeeze my hand, I understand
About a woman and a man
And I love the way, you make me feel
You got me tangled up in love

(Tangled up, tangled up)
You got me tangled up in love
(Tangled up, you got me tangled up)
(Tangled up, tangled up)

(Tangled up, you got me tangled up)
You've got me tangled up in love
(Tangled up, tangled up)
You got me tangled up in love
(Tangled up, you got me tangled up)
(Tangled up, tangled up)
(Tangled up, you got me tangled up)
Will I'm tangled up in love

Tangled up, tangled up
Tangled up, you got me tangled up
Tangled up, tangled up
Tangled up, you got me tangled up
Tangled up, tangled up
Tangled up, you got me tangled up
