Goofy again....hey, hey

I don't give a damn if you don't give a damn

all I'm looking for is just a one night slam

I don't give a damn and I really don't care

I'll take it anytime anywhere

I don't give a damn if you don't give a damn

all I'm looking for is just a one night slam

I don't give a damn and I really don't care

I'll take it anytime anywhere

Mi nuh care if yuh tell mi seh mi too bare face

as mi si a gal mi aguh put on di chase

fi carry her back a mi base

and deal with di case

rubbers in tact from gal fi get lace

all over the world a me di gal dem like

just like a footballer me start to strike

I don't give a damn if you don't give a damn

all I'm looking for is just a one night slam

I don't give a damn and I really don't care

I'll take it anytime anywhere

I don't give a damn if you don't give a damn

all I'm looking for is just a one night slam

I don't give a damn and I really don't care

I'll take it anytime anywhere

As a likkle youth mi neva did show mi colors

but now mi get big, strong and full a powers

every gal want mi climb up dem towers

I don't give a damn if you don't give a damn

all I'm looking for is just a one night slam

I don't give a damn and I really don't care

I'll take it anytime anywhere

I don't give a damn if you don't give a damn

all I'm looking for is just a one night slam

I don't give a damn and I really don't care

I'll take it anytime anywhere

Every day Daddy cuss mi seh mi don't have nuh shame

ole dirty pastor dem seh a my name

anuh me him fi blame if mi can't tame

a nuh my fault if mi born with di long grain

I don't give a damn if you don't give a damn

all I'm looking for is just a one night slam

I don't give a damn and I really don't care

I'll take it anytime anywhere

I don't give a damn if you don't give a damn

all I'm looking for is just a one night slam

I don't give a damn and I really don't care
