Dawn is a feeling
A beautiful ceiling
The smell of grass
Just makes you pass into a dream
You're here today
No future fears
This day will last a thousand years
If you want it to

You look around you
Things, they astound you
So breathe in deep
You're not asleep, open your mind
You're here today
No future fears
This day will last a thousand years
If you want it to

Do you understand
That all over this land
There's a feeling
In minds far and near
Things are becoming clear
With a meaning

Now that you're knowing
Pleasure starts flowing
It's true, life flies
Faster than eyes could ever see
You're here today
No future fears
This day will last a thousand years
If you want it to
