Do you remember long ago?
And how we loved when we were children
Let's be like children
This Christmas time

And if you say that you'll be mine
Then all the stars will shine around us
Love will surround us
This Christmas time
(Ahhhh, ahhhh)

I don't need a reindeer
I don't need the snow
Tell me you love me
And I'm ready to go
Out of the darkness, into the light
This is the Christmas where we make it all right
Make it all right

I hear you talking in my dreams
Of nights of love and days of wonder
I still remember each Christmas time

So if you see me on the street
No need ask me what would please me
It's your love, believe me
This Christmas time
(Ahhhh, ahhhh)

I don't need a reindeer
I don't need the snow
Tell me you love me
And I'm ready to go

Out of the darkness, into the light
This is the Christmas where we make it all right
Yeah, don't need the snow
Yeah, I'm ready to go
This is the season of beauty and light
Love, love, we can make it all right
Make it all right

I don't need a reindeer
Don't need the snow
Tell me you love me
And I'm ready to go
Out of the darkness into the light
This is the Christmas where we make it all right

Yeah, people will sing
Sing of the new life and the joy it will bring
This is the season of beauty and light
Love, love we can make it all right
Yeah...
Love, love we can make it all right

'Cause all the world over, the people will sing
Yeah, the joy it can bring
