The summer sun is fading  
As the year grows old  
And darker days are drawing near  
The winter winds will be much colder  
Now you're not here

I watch the birds fly South  
Across the autumn sky  
And one by one they disappear  
I wish that I was flying with them  
Now you're not here

Like the sun through the trees  
You came to love me  
Like a leaf on a breeze you blew away

Through autumns golden gown  
We used to kick our way  
You always loved this time of year  
Those fallen leaves lay undisturbed now

'Cause you're not here  
'Cause you're not here  
'Cause you're not here

Like the sun through the trees  
You came to love me  
Like a leaf on a breeze you blew away

A gentle rain pours softly on my weary eyes  
As if to hide a lonely tear  
My life will be forever autumn

'Cause you're not here  
'Cause you're not here  
'Cause you're not here
