(Graeme Edge)

Once more I've loved I've laughed and I've lost
Now I'm alone left counting the cost
Once more sweet child of middling years
Basted again in bitter-sweet tears
I will survive solitude
But come alive
I'll love anew
(Note that the CD booklet gives this line as "Although
the new")

Somebody tell me you love me
Somebody tell me you care
I've got a heart full of giving
Going nowhere (going nowhere)

Daylight will come and steal the night sights
Starlight on black replaced with gray light
Now I must go out and set my best pace
Running all day in the human race
But now I know the good news
Before you win you have to lose

Somebody tell me you love me (somebody tell me)
Somebody tell me you care (tell me you care)
I've got a heart full of giving
Going nowhere (going nowhere)

How much longer must I travel on
Looking for someone to help me (help me) sing my
song
How much longer will it be
I need to find someone
For the love (find someone for the life, of me)
From me

Somebody tell me you love me (somebody tell me)
Somebody tell me you care (tell me you care)
I've got a heart full of giving
Going nowhere (going nowhere)
