The indestructible has broken down
The undeniable is turned around
And I don't care my love
I just don't care
I love you

The unbelievable has all come true
I love the changes that you've put me through
And I don't care you see
I just don't care
I love you

I see the magic
That we're making now
And a veil is lifted
From my eyes somehow
And the most amazing thing
That comes to light
Is the world looks different
To me overnight

My friends will tell you
That I've lost my cool
The lovesick schoolboy
Turning up for school
But I don't care you know
I just don't care
I love you

I see the magic
That we're making now
And a veil is lifted
From my eyes somehow
And the most amazing thing
That comes to light
Is the world looks different
To me overnight

My friends will tell you
That I've lost my cool
The lovesick schoolboy

Turning up for school
But I don't care you know
I just don't care
I love you
Cos I don't care you see
I just don't care
I love you, I, love you
