I know you're out there somewhere  
Somewhere, somewhere  
I know I'll find you somehow  
And somehow I'll return again to you

The mist is lifting slowly  
I can see the way ahead  
And I've left behind the empty streets  
That once inspired my life  
And the strength of the emotion  
Is like thunder in the air  
'Cause the promise that we made each other  
Haunts me to the end

I know you're out there somewhere  
Somewhere, somewhere  
I know you're out there somewhere  
Somewhere you can hear my voice  
I know I'll find you somehow  
Somehow, somehow  
I know I'll find you somehow  
And somehow I'll return again to you

The secret of your beauty  
And the mystery of your soul  
I've been searching for in everyone I meet  
And the times I've been mistaken  
It's impossible to say  
And the grass is growing  
Underneath our feet

I know you're out there somewhere  
Somewhere, somewhere  
I know you're out there somewhere  
Somewhere you can hear my voice  
I know I'll find you somehow  
Somehow, somehow  
I know I'll find you somehow  
And somehow I'll return again to you

You see I know you're out there somewhere

Oh Yes I know your out there somewhere  
You see I know I'll find you somehow  
Oh Yes I know I'll find you somehow

The words that I remember  
From my childhood still are true  
That there's none so blind  
As those who will not see  
And to those who lack the courage  
And say it's dangerous to try  
Well they just don't know  
That love eternal will not be denied

I know you're out there somewhere  
Somewhere, somewhere  
I know you're out there somewhere  
Somewhere you can hear my voice  
I know I'll find you somehow  
Somehow, somehow  
I know I'll find you somehow  
And somehow I'll return again to you

Yes I know it's going to happen  
I can feel you getting near  
And soon we'll be returning  
To the fountain of our youth  
And if you wake up wondering  
In the darkness I'll be there  
My arms will close around you  
And protect you with the truth

I know you're out there somewhere  
Somewhere, somewhere  
I know you're out there somewhere  
Somewhere you can hear my voice  
I know I'll find you somehow  
Somehow, somehow  
I know I'll find you somehow  
And somehow I'll return again to you
