Here I go again
Finding it so hard to explain
The way I feel when I hold you near
Still it hurts when you cry
Maybe you think love has passed you by
Don't you know I need you so
But I guess you need to know

I'm just a man, that's all I am
I'm just a man, that's yours
I'm yours you know I'm yours

Life keeps changing key
I'll look to you please look back at me
See I'm changing every day
Reaching out for happy days

But I'm just a man that's all I am
I'm just a man I'm yours
I'm simply yours

Life keeps changing key
I'll look to you please turn and look at me
You'll see I'm changing every day
In my search for happy days

But then I'm just a man
That's all I am
I'm just a man I'm yours
That's yours, simply yours

See me as I am, for I'm just a man
I'm just a man but I'm yours
Oh I'm yours I'm simply yours
