"Is This Heaven?"

Walking home with you last night
You said the world is beautiful
And how things look that way when you're in love
I love this world
When I'm in your arms
Is this heaven?

I opened up the letter that the
Postman gave to me this morning
Had to stop myself from shouting out
"I love this world"
When I'm in your arms
Is this heaven
When I'm in your arms
Is this heaven

I know that heaven waits
For those whose love is true
I want to be there when
The age of love is come again

Tell me all about yourself
And how you came to me like in a dream
And every night I dream of you
I dream of you
When I'm in your arms
Is this heaven
When I'm in your arms
Is this heaven

I know that heaven waits
For those whose love is true
Don't ask me where or when
The age of love is come again

I sit and watch the sun go down
And in the darkness there's no sound
While in the sky tonight the stars all cry "I love you"
Are they crying out over you
'Cos you're in my heart
Is this heaven?

'Cos the story starts and ends with you
