When I telephone you  
Don't make out you're not at home;  
It wouldn't hurt at all to answer the call.  
When I hold you near,  
When I call you 'dear',  
You never seem to want to know me at all.

Oh baby,  
Let me go.  
If I stay around  
Then you're gonna see my heart break.

I can't stand all this heartache

'Cause I love you so,  
I find it hard to go,  
Well, I can see a change in your ways

'Cause when I'm turning to  
How much I think of you  
You always look away in a gaze.

Oh baby,  
Let me go.  
If I stay around  
Then you're gonna see my heart break.

I can't stand all this heartache

Like we lost  
Every little of love you had for me, baby,  
I'm doing, let me go [not sure of this line]  
Let me go, let me go, this way,

When I telephone you  
Don't make out you're not at home;  
It wouldn't hurt at all to answer the call.

And when I hold you near,  
When I call you 'dear',  
You never seem to want to know me at all.

Oh baby,  
Let me go.  
If I stay around  
Then you're gonna see my heart break.

And I can't stand all this heartache

You'd better let me go, baby,  
Oh you'd better let me go, baby,  
Oh yeah, let me go.
