The way you looked at me tonight  
I've never seen that look  
In your eyes before  
But then again  
I don't think I've ever looked  
Had the time to spare  
The will to share with you

What have I missed  
What have I done  
I'm gonna turn back the tide  
Like it's just begun  
Time changes  
Time changes  
Time changes for the better

After all we've been thro'  
Love don't come easy for me

The way you looked into my eyes  
I could see the hurt  
I saw thro' your disguise  
Just give me time  
I can make it up to you  
Let me heal the pain  
I'm scared of losing you

What have I missed  
Where have I gone wrong  
If I could turn back the time  
So we've just begun

Time changes  
Time changes  
Time changes for the better

After all we've been thro'  
Love don't come easy for me  
For me

What have I missed

What have I done  
I'm gonna turn back the tide  
So we've just begun

Time changes  
Time changes  
Time changes for the better

After all we've been thro'  
Love don't come easy for me  
Love don't come easy  
After all we've been thro'  
Love don't come easy for me  
Love don't come easy
