Sailing along
The river of time
Adrift on dreams
Through midnight chimes
Positively frozen
Crystal Waterfalls
The mountain of hope
Is there to be climbed
The sea of serenity
Is rightfully mine
Step on to the water
Knowing what is true

Never blame the rainbows for the rain
And learn to forget the memories
That cause you pain
The last whispered wish of age
Is to live it all again
So never blame the rainbows for the rain

The beat of my heart
The rythm of love
The earth that's beneath us
The heavens above
I can hear forever
Calling out to me
The changes we go though
Are making me strong
The shelter of friendship
Is where we belong
Look into the future
Knowing what we see

Never blame the rainbows for the rain
And learn to forget the memories
That cause you pain
The last whispered wish of age
Is to live it all again
So never blame the rainbows for the rain

The whirlpool of doubt

Can spin you around
The wave of emotion
Takes you up
Pulls you down
Leaving far behind us
Sweet young passions spray

Never blame the rainbows for the rain
And learn to forget the memories
That cause you pain
The last whispered wish of age
Is to live it all again
So never blame the rainbows
Never blame the rainbows
Never blame the rainbows for the rain
