Well I've had dreams enough for one  
And I've got love enough for three  
I have my hopes to comfort me  
I got my new horizons out to sea

But I'm never going to lose your precious gift  
It will always be that way  
Cos I know I'm going to find my own peace of mind  
Someday...

Where is this place that we have found  
Nobody knows where we are bound  
I long to hear, I need to see  
Cos I've shed tears too many for me

But I'm never going to lose your precious gift  
It will always be that way  
Cos I know I'm going to find my own peace of mind  
Someday...

On the wind soaring free  
Spread your wings  
I'm beginning to see  
Out of mind far from view  
Beyond the reach of a nightmare come true

Well I've had dreams enough for one  
And I got love enough for three  
I have my hopes to comfort me  
I got my new horizons out to sea

But I'm never going to lose your precious gift  
It will always be that way  
Cos I know I'm going to find my own peace of mind  
Someday...  
Someway.
