There in your eyes, I see
That you want to be free
There by your side, I'll be
If you still want me

Please think about it (Think about it)
I need your love
I'm no good without it (Think about it)
Please think about it (Think about it)
Give me your love
I can't live without it

Oh no
Never leave my side
Baby please decide
I'm in love with you
I hope you want me too

Don't go
Say there's nothing wrong
Stay where you belong
I'll be good to you
That's all I wanna do

Please think about it (Think about it)
I need your love
I'm no good without it (Think about it)
Please think about it (Think about it)
Give me your love
I can't live without it

Oh no
Never leave my side
Baby please decide
I'm in love with you
I hope you want me, too

Don't go
Say there's nothing wrong
Stay where you belong
I'll be good to you

That's all I wanna do

So, if you have to go
I won't stand in your way
But, if you decide to stay
I will be your guide

Please think about it (Think about it)
I need your love
I'm no good without it (Think about it)
Please think about it (Think about it)
Give me your love
I can't live without it

Oh no
Don't go
