I can understand
The rain that falls
Waves that crash
upon the shore
And I know that everyone
Must have
freedom
today
And baby in my dreams I see
see you walking
away
I can understand the moon and stars
(understand moon and stars)
Wonders of this world of
ours (wondrous world of ours)
And I see the fire of
life
Burning brighter each day
And baby in my dreams
I see
see you walking away
(walking away)
So far away
(so far away)
I see you walking away (walking away)
So fly, my silverbird (fly silverbird)
You know that
I am waiting for you
And everywhere you go
I'm with you
still (fly silverbird)
I know you will
Return someday
And
through the rain and the snow
(and the snow)
When there's nowhere left to go
I hope
you'll stay
Oh darling, now I understand
And I'm home to
stay
When I close my eyes, I see you there
(close my eyes, see you there)
In everyone and
everywhere
(everyone, everywhere)
And I feel the power of love
Like
an ocean today
And baby in my dreams I see
see you
walking away (walking away)
So far away
(so far away)
I see you walking away (walking away)

So fly, my silverbird (fly silverbird)
You know that
I am waiting for you
And everywhere you go
I'm with you
still (fly silverbird)
I know you will
Return someday
And
through the rain and the snow
(and the snow)
When there's nowhere left to go
I hope
you'll stay
Oh darling, now I understand
And I'm home to
stay
So fly, my silverbird (fly silverbird)
You know that
I am waiting for you
And everywhere you go
I'm with you
still (fly silverbird)
I know you will
Return someday
And
through the rain and the snow
(and the snow)
When there's nowhere left to go
I hope
you'll stay
Oh darling, now I understand
And I'm home to
stay

And through the rain and the snow
(and the snow)When there's nowhere left to go I hope
you'll stay Oh darling, now I understand And I'm home to
stay
(oh, oh, oh my silverbird, come on home to stay) repeat
and fade
