Walk on the water  
Swim with the life tide  
Clear away the storm clouds  
Oohh ...

You got to  
Roll with the punches  
Shelter from the weather  
Have no fear of the darkness  
Sooner or later oohh ...  
Sooner or later oohh ...  
We'll be walkin' on air

Live for the moment  
'cos life is worth living  
Love will surround you  
Sooner or later oohh ...  
Sooner or later oohh ...  
We'll be walkin' on air  
We'll be walkin' on air

Love is out there waiting for you  
Wearing no disguise  
Nothing left behind closed doors  
It's right before your eyes  
So take a walk in the sunshine  
Send a message on your online  
Then you can do it in your own time  
Sooner or later oohh ...  
Sooner or later oohh ...  
We'll be walkin' on air  
Walkin' on air  
We'll be walkin' on air

Walk on the water  
Shelter from the weather  
Clear away the storm clouds  
Sooner or later oohh ...  
Sooner or later oohh ...  
Sooner or later oohh ...  
Sooner or later oohh ...

We'll be walkin' on air  
Walkin' on air  
We'll be walkin' on air
