(Ray Thomas)

Just look at me now
Because I'm tired of yelling
Look at me now
It's only me I'm selling
I'm not willing to trade
My life to make the sale
You turn me around
You put me down
Look at me now

I'm hanging out my heart to dry
For the last time
I'll tell you the reason why
It's for the last time

Laid-back uptown turnaround people - lie
Laid-back uptown turnaround people - wear disguises
Sorry, a word they only use too late
Sorry is a word that only ever means forgive my
yesterdays (Sorry)
Laid-back uptown turnaround people - lie (uptown
people lie)
Laid-back uptown turnaround people - wear disguises
And sorry that's a word they only use too late
Sorry is a word that only ever means forgive my
yesterdays (Sorry)

Here I am loving you
You're laying there so quietly
I can feel your breath upon my skin
Afterglow came suddenly
With you it always did

I'm hanging out my heart to dry (Look at me now)
For the last time
I'll tell you the reason why (Look at me now)
It's for the last time
Laid-back uptown turnaround people - lie (Look at me
now)

Laid-back uptown turnaround people - wear disguises
(Look at me now)

They say sorry that's a word
They only use too late
Sorry is a word that only ever means
Forgive my yesterdays (Sorry)

(Uptown people lie)
Laid-back uptown turnaround people - wear disguises
They say sorry (laid-back turnaround people)
That's a word they only use too late (uptown people lie)
Sorry is a word that only means forgive
(laid-back turnaround people)
(Sorry)
