A long way we have travelled
Just to see your name in
lights
We're writing you this letter
'Cos we're with
you tonight
Your Mama misses you so
And your Papa
wants
you to know
That babe
We want you to have your say
We
don't want to stand in your way
The last time that we saw you
And we heard those
curtain
calls
We held hands and we loved you
And we shouted
for
more
Your Mama she misses you so
And your Papa
wants
you to know
That babe (baby) we want you to have
(baby) your say (baby)
We don't want to stand in your
way (baby)
But call us and say
When you're passing this way
And
let us still know that you care
Clean sheets on the
bed in your room
And a place at the table and in our
hearts
Every night is a first night for someone
Someone's
making
their debut
On starry eyes the curtain will rise

Your Mama she misses you so
And your Papa wants you
to know
That babe (baby)
We want you to have
(baby) your say (baby)
We don't want to stand in your
way (baby)
But call us and say
When you're passing this way
And
let us still know that you care
Clean sheets on the
bed in your room
And a place at the table and in our
hearts
Such a long way we have travelled
Just to see your
name
in lights
We're writing you this letter
'Cos we're with
you tonight
Your Mama she misses you so
And your
Papa
wants you to know
That babe
(baby)
We want you to have
(baby) your say (baby)
We don't want to stand in your
way (baby)
Every night is a first night for someone
Someone's

making
their debutOn starry eyes the curtain will riseEvery
night is a first night for someoneSomeone's bringing
the house downWe want you to knowThey're stealing
the show
'Cos babe we don't want to stand in your way
