No surprise
Hey that you wanna be the one again

No surprise
You wanna be the one

Heard you had a story to tell
Sold your soul in a kiss and tell
Sliding down on a helter skelter ride
Into yesterday

No way out, the price of fame
Once it's told will you be the same
Rolling down on a roller coaster ride
We'll be waiting for you

No surprise
Hey that you wanna be the one again
No surprise
No surprise
Hey that you wanna be the one
No surprise
You wanna be the one

Shock the world with your fall from grace
Glory days gone without a trace
No surprise you're a face without a name
But we all still love you

No surprise
Hey that you wanna be the one again
No surprise
No surprise
Hey that you wanna be the one
No surprise
You wanna be the one

It's time to tell you
We're faithful and true
Take us back to the days
When we could dream

'cos it makes us happy

Hey that you wanna be the one again

Hey that you wanna be the one again

Hey that you wanna be the one
