The atmosphere
On the streets tonight
Is the driving beat
Of the world
The word down here
On the streets tonight
Is the truest music
Youve heard
So take your share
Of the gifts that are there
They all belong to you
And come what may
At the break of each day
We all begin anew once more
We all begin anew

Baby, baby, baby, lets investigate
The other side of life tonight
The lovers and the fighters
And the risks they take
Are on the other side of life tonight
Lets loose our way
Go completely astray
And find ourselves again
You know the only way to get there
Is to take that step
To the other side of life tonight

The atmosphere
On the streets tonight
Is the driving beat
Of the world
The word down here
On the streets tonight
Is the truest music
Youve heard
So take your share
Of the gifts that are there
They all belong to you
And come what may
At the break of each day

We all begin anew once more
We all begin anew

Baby, baby, baby, lets investigate
The other side of life tonight
The lovers and the fighters
And the risks they take
Are on the other side of life tonight
Lets loose our way
Go completely astray
And find ourselves again
You know the only way to get there
Is to take that step
To the other side of life tonight
