Yes I used to walk the highwire every night  
Yes I used to walk the tightrope  
But it got too tight I walked the  
straight and narrow line  
My head was spinning round  
I worked without a safety net  
But it was such a long way  
down

Yes I used to walk the highwire every night  
Yes I used to walk the tightrope  
But you need a head for heights  
I walked the straight and narrow rope  
My head was spinning  
round  
I worked without a safety net  
But it was such a long way  
down  
Oh you might have seen us  
If we came to your town  
This game's made for heroes  
And clowns  
Not thinking about tomorrow  
Living for today  
I never left a note saying  
I'm going away

Yes I used to walk the highwire every night  
Yes I used to walk the tightrope  
But it got too tight I walked the  
straight and narrow line  
My head was spinning round  
I worked without a safety net  
But it was such a long way  
down  
Oh oh oh oh oh oh oh oh oh oh hhhhhh  
Yes I used to walk the highwire every night  
Yes I used to walk the tightrope  
But it got too tight I walked the  
straight and narrow line  
My head was spinning round  
I worked without a safety net  
But it was such a long way  
down  
Oh oh oh oh oh hhhhhh (Don't look down  
Don't look down)
